

Fin.Co has divested its stake in Xemex

Antwerp/Schoten – 4 May 2011

Fin.Co has sold its participation in Xemex to its co-shareholder, Brinvest Techniek BV.

Founded in 1996, Xemex (www.xemex.be) is a provider of smart metering solutions. The company is a leading innovator in its industry and is currently market leader in the Netherlands with an installed base of over 200,000 data communication modules.

Brinvest Techniek B.V. (www.brinvest.nl) is part of a large independent conglomerate active in various vertical markets like food and beverage, real estate and technology. Brinvest Techniek is based in the Netherlands and entered Xemex' capital in 2004.

Fin.Co (www.finco.be) is an independent provider of buy-out, replacement and expansion capital to profitable companies in growth markets. Its private equity investment portfolio includes Plouvier Transport, Irmaco, **ideal** systems, Bafa and NHV. Fin.Co was a shareholder of Xemex since 1999.
